

NO ROAD IS LONGER WITH A GOOD COMPANY

On The Road is a Free-Spirited Cafe & Diner

Welcome to On The Road, a one-stop pit stop combining casual cafe, diner and bar in Pattaya.

All breezy Palm Springs mid-century chic, the venue celebrates the freedom of the wide-open road and endless summers at the beach.

Open from dawn to dusk (and beyond), On The Road serves up a menu of redefined comfort food made with local-sourced ingredients.

Beyond wholesome salad bowls, rolls and open sandwiches, the restaurant pumps out a selection of bakery-fresh pastries.

Drinks with friends gets new meaning with coffee made with beans from Roots, not to mention decadent milkshakes and potent cocktails.

Situated within stumbling distance of the iconic Pattaya Beach, On The Road is a day-and-night hangout of the type the beach city has never seen before. A pure vibe.

The road is calling.
