A bit about us.

Where our story began.

Hello, is it Bangkok you're looking for?

Born in 2007.

Now that you're here, you can explore the city for yourself, the best bits are right on our doorstep. Siam@Siam Design Hotel Bangkok is a celebration of art and design, fun and surprise. We're all for offbeat experiences.

Eclectic Siam.

S@S Bangkok is located off Siam Square in one of Bangkok's most vibrant neighbourhoods. We're sandwiched between the charming Old Town and the dynamic inner city, meaning the best shopping, entertainment, dining and nightlife are all within effortless reach.

Awaken the giant.

Wanna know more about our design? We've got a (tall) tale for you. In Thai Buddhist folklore, giants act as guardians of temples such as Bangkok's Wat Arun and Wat Pho. S@S Bangkok also has a giant that looks over the property, named Phipek, which legend has it is an excellent astrologer. Look out for his secret world hanging from the ceiling in the lobby and don't forget to take a picture with his giant throne.
